Young Leader (Girlguiding)

As well as or instead of joining a unit of The Senior Section you could be a Young Leader at one of St Albans Rainbow, Brownie or Guide units. As a Young Leader, the same qualifications and opportunities are available to you as a unit member of The Senior Section. If you would like to be a Young Leader, please contact Lucy Davies giving details of what nights of the week you are available, what hours and which Section you would prefer to work with. *For example, Monday evenings, between 5pm and 7pm, prefer to work with Rainbows.* I will then find out which units need a Young Leader.
